CERTIFICATE

Feb. 3, 1974

This is to certify that we have examined the accounts of Selectmen and find them correct and properly vouched.

CHARLES W. REMICK
W. L. SMITH

Auditors Town of Tamworth, N.H.

TAMWORTH POLICE DEPARTMENT**1973 REPORT**

To the Honorable Selectmen and
Citizens of the Town of Tamworth:

As most of you know, this is the first year Tamworth has experienced having a full time Chief of Police. The following is a report of my activities for the last six months of 1973:

Accidents	13	DWI	1
Aids Rendered	3	Gun Complaints	3
Attempt to Locate	6	Drunks	6
Burglaries	20	Transport	3
Larcenies	10	Prowlers	3
Malicious Damage	8	Open Doors	3
Fire & Rescue	17	Lost People	4
Civil	2	False Calls	7
Juvenile Hearings	6	Miscellaneous	
Assist Other Dept.	7	Complaints	31
Vehicles checked in		Miles of Patrol	15,800
Safety Checks	18	Arrests: Adults	3
Dog Complaints	5	Juveniles	3
Suspicious Cars	5	Summons	17
		Warnings	11
		Defective Equipment	
		Tags	23
		Night Time Check-Ups	8

Burglaries and larcenies are our main problems, but with the co-operation of the community and other law enforcement agencies I believe we will be able to reduce these problems. If records existed for comparison with past years, I believe, it would show that our Routine Patrol has been able to deter many problems that might have occurred if no patrol had existed. In any event, the patrol and establishment of a full time office has increased the efficiency with which problems are handled.

I would like to take this opportunity to thank the Selectmen and Citizens of the Town, the Sheriff's Department and other law enforcement agencies for their co-operation.

Respectfully,
ROGER A. WATSON

DAVID A. BOWLES
Treasurer

REPORT OF TAMWORTH FIRE DEPARTMENT

In the past year the Fire Department has continued to try to better itself by continuing to hold monthly drills. Some of the members went to the Lakes Region Mutual Fire Aid Association Fire School in Gilford, and most recently we held a three-day fire school in Tamworth instructed by a State Instructor.

We recently bought two more air packs with extra tanks, hats, boots, three receivers and more hose and fittings.

We had 34 runs this year. Two of these were mutual aid runs to other towns on structural fires. We have had mutual aid assistance several times on a variety of fires. It is comforting to know that any amount of help is available with just a radio call to the dispatch center.

Following is a list of the runs for the year.

- 6 Structural fires
- 1 Grass fire
- 3 Dump fires
- 7 Chimney fires
- 5 False alarms
- 3 Prank fires
- 4 Vehicle accidents
- 2 Forest fires
- 2 Mutual Aid runs
- 1 Other

We urge all residents to keep their chimneys and cellars clean and the grass mowed around the buildings to lessen the chance of fire. It should be known that plain stove pipe is not an acceptable chimney and can be grounds for cancellation of your fire insurance if used in place of a chimney.

DAVID A. BOWLES
Chief

TAMWORTH FIREMAN'S CLUB**TREASURER'S REPORT****January 1, 1973 to December 31, 1973****RECEIPTS:**

REPORT OF THE TAMWORTH RESCUE SQUAD

EMERGENCY UNIT

The past year again was a very busy time for the Squad. We logged a small increase in the number of calls, but the fatality rate decreased, which was most noticeable in traffic accidents.

Many new items were purchased by the squad, including a citizen band radio for our truck which gives us a wider range of two way communication.

“Go 50 and save energy,” is a slogan to be remembered in our troubled times, but we would like to rephrase it a little to read “Go 50 save energy and a life.”

The following is a break down of our calls:

Type of Call	NUMBER OF CALLS	FATALITIES RESULTING
Highway Accidents	15	2
Household Accidents	8	
Industrial Accidents	2	
Medical Emergencies	18	5
Lost Persons	2	
Other Emergencies	10	
Fires	11

ANNUAL REPORT**THE TAMWORTH PLANNING BOARD****1973**

The Tamworth Planning Board has held one regular meeting each month; three hearings for developers and abutters to proposed subdivision areas and one special meeting to discuss, with developers, guidelines for their proposed subdivision before steps were taken to draw up and submit Preliminary Plans.

A New Hampshire State regulation now requires a developer to have all State and Planning Board approvals for a subdivision before bulldozing of roads, cutting of trees or in any way disturbing the environment--exception--test pits and percolation test holes necessary to comply with state regulations.

The following representatives were appointed to other organizations: Nathan H. Hughes, for a four year term, to The Lakes Region Planning Commission; Lillian McGrew, to the Solid Waste Disposal Study Group; Marion I. Spaulding to the Tamworth Conservation Commission. All have attended meetings and have reported back to the Planning Board in these areas so important to the Planning Board and to the Town of Tamworth.

David Scott, Executive Director of The Lakes Region Planning Commission (L R P C) and James Rollins, Assistant Director were invited to attend the April meeting, with the result that Tamworth is finally launched on definite base map studies, thus working toward a Comprehensive Plan for Tamworth. This is one of the services offered by L R P C.

Three interested persons from Tamworth attended a two

day Land Use Planning Workshop, sponsored by L R P C, at Brickyard Mountain Inn in May, under the leadership of John Rahenkamp & Associates, who stressed the seriousness of considering the impact of subdivisions, industry and other land uses upon the environment as well as upon the economy and welfare of the town involved.

Much information has been gathered concerning subdivision regulations. A Committee has been appointed to go over this information and to submit a set of revised subdivision regulations to the Planning Board for review, after which a Public Hearing will be called.

Appreciation goes to Elizabeth Bowles, Planning Board Secretary, for her interest and efficiency in keeping records, attending to correspondence and calling members to remind them of the Planning Board Meeting each fourth Wednesday of the month-New Town Office at 7:30 p.m.

Respectfully submitted,

Marion I. Spaulding
Chairman 1973-1974

**1973 REPORT
of the
TAMWORTH CONSERVATION COMMISSION**

The Tamworth Conservation Commission has met monthly during 1973. The scope of its work has been broadened by the formation of four committees—each chaired by a commissioned member, and made up of interested townspeople. Reports of the committees follow.

1. ADDENDUM - Betty Steele, Chairman.

The committee is charged with making specific recommendations for the proper utilization and protection of natural resources and suggesting priorities for implementing them. Robert Finley and Edward Flaccus serve on the committee along with four members of the Commission. Meetings have been held regularly since last summer and field trips made to various areas under consideration.

2. EDUCATIONAL - Pauline Crane - Chairman

A display of Conservation books from the State Library and the Cook Library were on display at the town library during the summer for the use of the Summer Enrichment students, the townspeople and summer visitors.

3. PUBLICITY - Peg King - chairman

Don Turner is in charge of exhibitions, Harriet Atwood of newspaper and radio publicity and Bruce Bedford of photography.

4. TRAILS - Percy Olton, chairman, assisted by Sam Bowditch - Win and Margaret Means, Betty Thompson, Ben and Ruth English, Gibb Dodge, and Joe Upson

started work on a guide for the Big Pines Trail. A preliminary report is in the hands of the Commission and a final guide will be completed during 1974.

The Commission is grateful for a Ford Foundation Grant of \$825.00; \$750.00 is a gift with \$125.00 dependent upon matching funds. This \$1000.00 is to be used for surveying, brushing, marking and mapping of land under Commission management.

Trees given by the State were again planted in our nursery on John Hidden Sr.'s property. When large enough these will be planted for town beautification.

Because of a law passed by the 1973 Legislature it became mandatory for a member of the Town Planning Board to serve on the Conservation Commission in order that the two bodies may work more closely together. Marian Spaulding was appointed to our Commission.

The Tamworth Conservation Plan booklets first distributed at the 1973 Town Meeting are still available at the Chocorua and Tamworth libraries and from all members of the Commission.

Respectfully submitted,
Pauline W. Crane, Secretary

Margaret King, Chairman
Betty Steele, Vice-Chairman
Percy Olton, Treasurer

 Six meetings for Project "Outreach" Program:
Chocorua, N. Conway, Conway, Tamworth and County
Home, Ossipee, N. H.

Community Service:

 Conducted a Safety and First Aid Class for 4-H Baby
Sitting Program.

1973 initiated Tamworth joining Project "Outreach". Through the efforts of Mr. Charles LaCase of the N. Conway Division of Public Welfare Dept., State Library in Concord, N. H., Conway and Tamworth Libraries, Tamworth Community Nurse Ass'n., and volunteers, record and deliver cassettes and weekly tapes to shut-ins, regardless of age, and at no cost to them. The topics are current events, church services, music, town meeting, and other items of interest. Periodically, parties are held for shut-ins, a joint venture of the Conways, Tamworth, Wolfeboro, and the County Home. The get-togethers and transportation are provided by the volunteers. The Project has been very well received by the shut-ins and their volunteers.

Sincere thanks to those who help make this Project a success, and to Mrs. Eleanor Homeyer, R.N. who substituted during the Nurse's vacation.

During April, 1973, the Tamworth Community Nurse office was moved from the Kenneth A. Brett School to the new Town Office Building. The office telephone number is 323-8511. When Nurse is out on duty, a recording answering service will assist you in reaching her.

TAMWORTH OUTING CLUB ACTIVITIES REPORT

The Outing Club sponsors a variety of activities throughout the year with the objective of providing recreational activities for all children and adults in the town.

An annual fishing derby is held for young people 16 and under. The youngsters are grouped in two classes: 12 years and under, and 13 through 16. Weighing and measuring stations are located in different sections of the town, thanks to the interest of local businesses. Prizes are awarded to the winners at the end of the season.

The Tamworth Little League and its farm team system continued its successful program this year. Rev. Kellett coached the Little League, and Ken Johnson and Ed Sandoz assisted by others, coached the farm team boys. It was a good season thanks to the interest of many supporters, the coaches, and most of all, the boys themselves.

This summer marked the most successful program of square dances in many a year. The dances were held at Staffords-in-the-Field in Chocorua. Particular thanks is due to Helen Steele for organizing a great season of dances for the Club.

Two Trap Shoots were held at Huckins Barn Field on Great Hill. We were blessed with good weather, and the winners were probably mildly shocked at being switched from what had become almost a steady diet of chicken to a gallon of sweet cider in the prize department.

The second event of the fall season is the Rifle Shoot, which took place at Robert's Pit in Chocorua. Following a cancellation last year due to the rain, sleet and snow-outs, the event was held on schedule this year. The number of

1973 — ANNUAL REPORTS — 1973

high-power rifle shooters was somewhat less than usual, but an increase was noted in the number of younger shooters in the .22 calibre class.

A New Years Square Dance was held at the Town House. The attendance was almost too good, - a packed hall! The Club thanks the Stafford family and others for the success of the evening.

Our "unusual" weather conditions forced a cancellation of the New England Sled Dog Club races which are held annually on the weekend between Christmas and the New Years. We hope to schedule an alternate date the first weekend in March, as this year marks the 50th Anniversary of the N. E. Sled Dog Club.

To date the town skating rink is also a casualty of the weather awaiting a drop in temperature.

The ski school program for children at the Kenneth A. Brett School, at this writing, is the victim of no snow and the fact that the Mt. Whittier area apparently will not operate this year. The Club is presently seeking to make other arrangements so the program can operate as usual when snow arrives.

The Outing Club welcomes new members and suggestions for improving its program. We would like to acknowledge the support of its activities made possible through the efforts and contributions of its members and friends.

COOK MEMORIAL LIBRARY

During 1973 we have seen a noticeable increase over last year in use of the library facilities with 5009 books, magazines and records borrowed by 2844 adults and children.

To awaken the interest of the teenagers in the community, we have set aside a young adult section and we are in the process of adding books, magazines, college catalogs and materials that appeal to this age group. Some of our high school students contributed reviews of new young adult books which we included in our newspaper column. We urge our young people to come in and we welcome any suggestions or recommendations of material they would like to have added to the shelves.

Our sincere appreciation goes to the faithful ladies of the cataloguing committee for the time and labor contributed week after week. We are also indebted to the many members of the community for gifts of books and magazines, memorials and donations. A young resident of Tamworth, Sharon Drew, draws special thanks for her volunteer work this summer at many different tasks. We are exceedingly grateful to the donors of the new steel card catalogue file and the dehumidifier. Steve Damon deserves our gratitude also for taking over the care and re-setting of the library clock (A busy year!). The Garden Club again brought beauty to the library with vivid flowering plants in the window boxes in the summer and evergreen cuttings in the winter and gaily decorated trees at Christmas.

1973 saw a space and travel display at the library during National Library Week, A Book Buying Meeting of the North Country Library District at our library in March and a Nature and Conservation Display of books and materials exhibited in the summer in conjunction with the

Education Committee of the Conservation Committee of Tamworth for the benefit of all, but particularly for the Summer Enrichment youngsters. Summer also brought a story hour once a week for 3 to 6 year olds. This was accomplished only through the enthusiasm and the participation of some of the mothers (and even one father!). In August we were fortunate in having for one week a one man art show-including woodcuts, landscapes and portraits-by Tamworth's own Willey Fromm. Toward the latter part of the year and continuing into the new year, Don Turner of Wonalancet has been exhibiting a different painting every few weeks.

Your library continues its participation in "Outreach to Carroll County Shut-Ins" by serving as record keeper and dispersal center for the cassette tapes. Volunteer members of our community do weekly taping--local news, special events (for example--last year's Town Meeting), music, church services, Tamworth Art Council and Historical Society meetings--and bring the tapes into the homes of handicapped and house bound residents of Tamworth. On special occasions they escort the shut-ins to parties, luncheons or meetings held in Tamworth and throughout the county.

In the Spring your Librarian was fortunate in being able to enroll in and complete an extension course in "Library Administration" at Plymouth State College offered by the New Hampshire State Library through the University of New Hampshire.

Due to the energy crisis we are not open Wednesday evenings from 7:00 to 9:00 P.M. until further notice but we are open Wednesday afternoons from 1:30 P. M. to 5:00 P. M. and Saturday afternoons from 1:15 P. M. to 4:45 P. M. Our new telephone number is 323-8510.

During the past year, the library has been able to offer

Large Print books and magazines to the visually handicapped, opened its doors to the nursery school and the transition class of the Tamworth Pre-School program, lent Brett School 1020 books to add to their shelves, borrowed on specific request of patrons 141 books through the State Inter Library Loan covering such special interests as Cross Country Skiing, Backgammon, Carpentry, Enameling etc., and borrowed a total of 2595 books from the State Bookmobile to augment our own supply of new and old books.

A library can be considered as truly serving the community when it reaches each and every resident and when it obtains the particular material which interests each individual. Come in and browse and select from our books, records, newspaper and a fine collection of magazines. If we don't have what you want, we shall make every effort to obtain it. This is your library!

Respectfully submitted,
JEAN ULITZ
Librarian

THE TAMWORTH FOUNDATION

August 1973

To the Tamworth Public:

This thirty-sixth annual report and appeal gives notice also of the Annual Meeting, which will be held this year in the new Town Offices opposite Remicks' Store on Fri., August 24th, at 4:00 P.M. It will be a way of celebrating the completion of the building. Ginny Damon kindly offers to exhibit also the new Nurse's office in the ell. The handsome changes are worth seeing. Please attend.

The building is the essence of this report. The fortunate history of the Foundation has often been described in these letters. By response to appeals, by special gifts and bequests, and by Miss Wilson's and Mrs. Whittemore's large bequest the Foundation has attained in less than four decades to an annual income of some \$13,000 to \$14,000. Because the town's tax-income is heavily committed, the sum comprises for Tamworth a main means of innovation, not in every year but at intervals with saving before and after. Such projects were Almon Evans' dam to hold the water-level of Chocorua Lake, the playing fields at the school, the tennis courts that Bill Lincoln inspired, payment of the bond for the fire-house, and notably the north wing of the school with added class-room and library, named for Miss Wilson. As you know, the Foundation acts simply as trustee of Mrs. Whittemore's bequest which has made possible the new Runnells Hall and Chocorua Library and, in large part, the nursing budget. The new Town Offices are the latest in this line of projects, and it seemed sensible while work was in progress to add the Nurse's wing, for which the Nursing Association kindly supplied some equipment but which the Foundation essentially paid for. We have saved toward this effort and shall have to continue saving in the next years, but the value of the building at just this location should prove more and more evident. The original building was given by Mrs. Harry F. Damon, the work was done by

Steve Damon and Ralph Ames to plans by Will Smith; Marion Spaulding has been in charge of the walks and planting. The handsome result, we hope, will seem in the spirit of the famous letter describing Parson Hidden's ordination in September 1792 (quoted in the **History of Carroll County**, p. 758): "It is an entire forest about this place. The scenery is wild. On the north is a high hill, and north of this a mountain called Chocorua touches heaven. On the south and in all directions are mountains steep and rugged. I had expected to hear the howling of the wolf and the screeching of the owl; but instead of these were heard the melting notes of the robin, the chirping of the sparrow and other birds that made the forest seem like Paradise. The men looked happy, rugged and fearless; their trowsers came down to about halfway between the knee and ankle. Their coats were short and of nameless shape. Many more slouched hats, and hundreds were shoeless. The women looked ruddy and as though they loved their husbands; every woman had a checked linen apron and carried a clean linen handkerchief. Their bonnets! Well, I cannot describe them; I leave them to your imagination. But think of the grandeur of the scene! a great rock the pulpit, the whole town the floor of the house, the canopy of heaven the roof, and the tall, sturdy trees the wall." Best be faithful to such beginnings.

As in past years, half or more of annual income has gone toward present causes: \$4,000 to the important work of the pre-school, \$1500 for a Little League field at the school, \$500 each to the Rescue Squad and the Conservation Commission, and continued gifts to libraries, for baseball, and for swimming and ski instruction. The town inspires many devoted and intelligent efforts, to a number of which the Foundation is essential.

A piece of business should be added. The original By-Laws stipulated a process of election to membership that has long been neglected. In practice anyone is welcome to membership and at meetings, which exist for the expression of opinion and to elect officers and trustees. But advance notice of change in By-Laws must be given. The

following new wording of Article II will be proposed: "The membership of said corporation shall be open to any person who demonstrates an interest in the aims and purposes of said corporation. At any annual or special meeting of the members only those members who have made a financial contribution to the corporation in the current fiscal year or in the fiscal year immediately preceding it shall be entitled to vote." The second sentence may sound forbidding, but in an organization that has no dues some criterion of membership is necessary. To repeat, all persons, whether or not they contribute, are welcome at meetings; the Foundation depends on interest and ideas. It also heavily depends on contributions. People increasingly turn to it, and income never suffices for present causes and innovations, both of which have important claims. Tamworth life would be considerably less fortunate without the Foundation. Please be faithful to it. Gifts large & small, which are deductible on federal income tax returns, will be gratefully received by Charles T. Gallagher, Treasurer, in Tamworth 03886.

**SPECIAL HEALTH OFFICER REPORT
TOWN OF TAMWORTH
1973**

As my first year as Special Health Officer for the Town of Tamworth draws to a close, I feel that the new and sometimes questionable laws by the State pertaining to sewerage disposal have really been a great benefit for the town. Because of the great increase in building construction, strict rules must and have been enforced here, protecting our future interests.

In a few instances, difficulty in obtaining the consent of owners to construct septic systems conforming to State Requirements was solved by explanation of the law as it is intended. Many land-owners, unaware of the new and changing laws, had to be advised of changes to be made. All changes and installations have been made according to State Requirements.

Frequently I was called upon in regards to subdivisions. The strict laws pertaining to subdivisions, even when applying to members of one's own family, are to discourage development of unsuitable land. A subdivision permit is very time consuming in many cases but not difficult to obtain when the landowner knows the necessary requirements.

Many inquiries by concerned citizens resulted in advice to and action by landowners who used travel trailers, pumped out cellars, or needed sewerage repairs. All repair jobs in the town which I supervised are now working with sanitary performance.

For many years I designed septic systems and obtained permits for landowners. Because of the time required to draw a plan and make the necessary tests I have turned most applications over to another engineer

this year as the many applicants a year makes it impossible to do them all. I do, however, consult with the engineer on these systems.

Currently I am not a licensed engineer and cannot, therefore, inspect systems for the state. I do advise landowners of what should be installed for a system, how to obtain permits, how to have percolation and other tests, and land contours done, and a state inspector is then called in to inspect the completed system. I am currently working toward obtaining a license from the State to inspect all systems, thus making the state approval easier for landowners to receive.

The past year I have seen hundreds of good quality systems working efficiently and with sanitary performance in our town, proving the need for the continuation and importance of controlled sanitation.

As a final note, it was reported to me that a test made at Chocorua Lake last summer showed the water was free of pollution.

Respectfully submitted,
DANNIE E. WASSON
Special Health Officer
Town of Tamworth

COMMITTEE ON SOLID WASTE DISPOSAL

The town dump will soon be a thing of the past but the need for waste disposal grows every day. As of July 1975, all open-burning dumps must be closed. This is a state law and as yet no alternative has been found which is easy or inexpensive to set up or to operate.

To meet this situation the Lakes Region Planning Commission, of which Tamworth is a member, hired the engineering firm of Metcalf & Eddy of Boston to study the existing facilities, review and project population trends and work out recommendations to be submitted to the towns. This study includes an area from Tamworth and Sandwich on the north to Barnstead and Northfield on the south. The study is now almost complete.

Incineration which meets state standards appears to be too expensive to consider and to-date the only method which seems feasible is what is known as a Sanitary Land Fill. Fairly deep and extensive trenches are dug on a carefully chosen site. Debris placed there is compacted and buried under a four foot cover of soil. Later the land can be seeded and used for certain recreational purposes. This calls for the use of very heavy equipment and constant supervision to comply with the standards set up by the state. However clean air and, especially, clean water are two of New Hampshire's greatest resources, threatened by the present practice of open pit burning. This will also be a step forward in rodent control.

The cost of Sanitary Land Fill for any one town is high but this can be cut considerably if two or more towns are willing to work together and meetings are now being held including Ossipee, Tamworth, Freedom and possibly Effingham to see if a plan on a cooperative basis can be worked out which will then have to be submitted to the towns. It will probably be necessary to set up a sub-station

in Tamworth if Ossipee is willing to be the receiving town. A sub-station is a collection point from which transfer is made to the main facility.

It is estimated that Tamworth has nearly five and a half tons of waste a day averaged out over the year but the estimated growth of the town is such that by 1990, there will be nearly nine tons. If re-cycling becomes economically practical this may be reduced but it is a hard cold fact that taking care of what is discarded every day is becoming very expensive.

The committee has felt the loss of chairman, Theodore Browne, very keenly. He was one of the most knowledgeable people in this entire area and had studied the solid waste disposal problem over a period of years.

The selectmen have appointed Benjamin English to serve as the Tamworth representative on the Lakes Region Planning Commission. He is a member of the Commission's sub-committee on Sanitary Land Fill and is working closely with the local committee on Solid Waste Disposal.

Signed:

CARL BICKFORD
RAYMOND DAVIS

TAMWORTH SUMMER ENRICHMENT PROGRAM

The TAMWORTH SUMMER ENRICHMENT PROGRAM, an activities program for children ages 7-15, completed its sixth summer with an enrollment of 135 (the proportion being approximately 70 year-around to 30 summer residents percentage-wise.)

Acting upon a suggestion made at Town Meeting last year that bus transportation be made available throughout the summer, proved to be successful and brought more local children consistently to the program after the swim program was over. The bus coverage was also expanded to include the Turkey Street and Gardner Hill Road areas.

Much emphasis was placed on field trips away from the Kenneth Brett School, the program's headquarters.

For the first time, T.S.E.P. offered a canoeing program at Chocorua Lake for those with the necessary experience in water safety.

Apart from the regular bike hikes and day mountain trips (Chocorua, Whiteface, Hancock, Washington) T.S.E.P. ran overnight trips which were a great success. Other trips included many "little kids hikes" to local points of interest (including smaller mountains), the annual day trips for a week to the Squam Lakes Science Center in Holderness for the environmental-nature lectures which were heavily attended, and the annual T.S.E.P. picnic to Swift River on the Kancamagus (approximately 75 children attended).

Another well-received innovation last summer was the Pre-School program every Friday morning for those children ages 4-6.

The staff was one of experience. Dana Steele returned

for his 6th summer as Program Director. Connie Hughes (5th summer) and Florence Damon ran the arts and crafts and the pre-school program. Sherrie Smith ran the more sophisticated craft projects, and along with Bob Magruder (a familiar face at T.S.E.P.) ran many of the sports and outside trips. Kay VerPlanck was in charge of drama and ended the season with a superb puppet show in which the children designed and made their own puppets, wrote the play, as well as directed and produced it to appreciative audiences several times during the last week of the season. Sherrie and Kay were ingenious at providing impromptu word-picture-thinking games and physical activity games for the younger set.

Junior Leaders included Laurie Ulitz (2nd summer), Steve Lafavore (2nd summer) and Royce Saujon, with Sara Kelley running the Jr. Leader program. Volunteers were many, but special thanks go to Marion McCollum, Helen Steele, Ann Rogers, Cindy Octavic, Sally Gallagher, Jan Dearborn, and Percy Olton.

T.S.E.P., through offering a regular program of activities both cultural and physical, strives to come up with new and different activities in which the children are happily participating. Many times the kids themselves developed their own activities as an offshoot of an already existing activity. Thus the program occupies middle ground between rigidity and flexibility, a position we feel best serves the children's interest. Again we say thanks to all who support the program and hope that T.S.E.P. will command your continued support.

DANA STEELE
PROGRAM DIRECTOR

WARRANT
FOR ANNUAL MEETING
OF THE TAMWORTH SCHOOL DISTRICT

To the inhabitants of the School District in the Town of Tamworth, qualified to vote in district affairs:

You are hereby notified to meet at the Kenneth A. Brett School on Saturday, March 2, 1974, at 7:00 p.m. in the evening, to act upon the following articles:

ARTICLE 1. To see if the district will vote to raise and appropriate the sum of \$300 to be placed in a Capital Reserve Fund, to be used exclusively for new plumbing in the school.

ARTICLE 2. To see if the district will vote to raise and appropriate a sum not to exceed \$11,000.00, for the reroofing of a portion of the school.

ARTICLE 3. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

ARTICLE 4. To transact any other business that may legally come before said meeting.

Given under our hands, this 15th day of February, 1974.

LARRY GRACE
PERCY T. OLTON, JR.
ELVA F. BICKFORD
School Board of Tamworth, N.H.

**WARRANT
FOR ANNUAL MEETING**

OF THE TAMWORTH SCHOOL DISTRICT

To the inhabitants of the School District in the Town of Tamworth, qualified to vote in district affairs:

You are hereby notified to meet in the Kenneth A. Brett School in Tamworth, on Tuesday, March 5, 1974, to elect the following school district officers. The polls will be open for this purpose at 10:00 a.m.

ARTICLE 1. To elect a Moderator for the ensuing year.

ARTICLE 2. To elect a clerk for the ensuing year.

ARTICLE 3. To elect a member of the School Board for the ensuing three years.

ARTICLE 4. To elect a Treasurer for the ensuing year.

ARTICLE 5. To elect two Auditors for the ensuing year.

ARTICLE 6. To elect five members of the Advisory Committee for the ensuing two years.

Given under our hands, this 15th day of February, 1974.

**LARRY GRACE
PERCY T. OLTON, JR.
ELVA F. BICKFORD
School Board of Tamworth, N.H.**

REPORT OF THE SCHOOL NURSE**1973**

During the school year from January to June, 1973, Mrs. Rebecca Sanborn, R.N., School Nurse for Union No. 9, conducted visual acuity and hearing tests on students at the Kenneth A. Brett School.

First Aid and transportation of ill youngsters were provided by Mrs. Sanborn and Mrs. Damon.

Twenty-eight children participated in the Dental Health Clinic held at Dr. Gruninger's office in Conway. This is a joint venture provided by the Tamworth Community Nurse Ass'n. with State matching funds.

On February 1, 1973, Mrs. Stark, State Dental Hygienist, visited the school and conducted a program on care of the teeth.

In July, Mrs. Peggy Cutcliffe, school nurse for Union No. 9, took over the duties formerly handled by the Tamworth Community Nurse.

VIRGINIA W. DAMON, R.N.
Tamworth Community Nurse
